### Crazy Sexy Cancer Tips By Kris Carr

Actress and photographer Kris Carr thought she had a hangover, but a Jivamukti yoga class didn't provide its usual kick-ass cure. A visit to her doctor confirmed her "liver looked like Swiss cheese," covered with cancerous tumors. She entered trench warfare (wearing cowboy boots into the MRI machine, no less), vowing, "Cancer needed a makeover and I was just the gal to do it!" She began writing and filming her journey, documenting her interactions with friends, doctors, alternative "quacks," blind dates, and other women with cancer—sadly a growing group. **CRAZY SEXY CANCER TIPS** gathers the lessons learned and advice offered from Carr's own journey, as well as the experiences of her cancer posse. Full-color photos accompany personal stories and candid revelations in this scrapbook of advice, warnings, and resources for the cancer patient. Chapters cover your changing social life, dating, sex, and appearance; essential health tips on how to boost your immune system; recipes; medical and holistic resources; and information on young survivor support groups. The resulting book is a warm, yet informative tool for any woman newly diagnosed with the disease and for those who love them.

"I read *Crazy Sexy Cancer Tips* cover to cover on a flight from LA to NY. I laughed out loud, wept quietly, and most of all, marveled at the magic that is Kris Carr. If Deepak Chopra, *What To Expect When You're Expecting*, and *Sex and the City* had a love child, it would look just like Kris' *Crazy Sexy Cancer Tips*. It is sheer perfection for cancer 'cowgirls' and their loved ones—colorful, soulful, and intimate."

—Rory Freedman, coauthor of #1 NY Times best seller *Skinny Bitch*

"Kris is a ray of light that is needed to raise awareness of what it means to give back. What more can one wish for? She is a true leader of courage and inspiration."
