**Culture and Customs of Uganda (Cultures and Customs of the World)** By Kefa M. Otiso

Since achieving independence from Great Britain in 1962, the East African country of Uganda has been ravaged by political turmoil and the more recent crisis of the AIDS epidemic, but is now in the process of rebuilding and democratizing. *Culture and Customs of Uganda* is a fascinating overview of the current state of Ugandan society, where largely rural ethnic groups are experiencing the pull of urban centers, while the changes brought about by Western influences bear on practically every aspect of people's lives. Examples from the main ethnic groups are used to explain traditional culture and adaptations to modern life in religion, gender roles, courtship and marriage, work, education, family life, ceremonies, the arts, media, and more. This is the essential reference source to turn to for solid insight into Uganda.

The wealth of detail in the coverage of the subjects above plus the land, people, history, literature, architecture/housing, cuisine, dress, gender roles, social customs and lifestyle, provides readers with broad sense of the country and its inhabitants. The sensitive narrative conveys the nuances between old and new, urban and rural, elite and poor for each topic. In addition, the evolution of Ugandan peoples is superbly demonstrated. Highlights include a discussion of the ways in which adherents of world religions such as Christianity and Islam mix these with traditional African religious belief in spirits, diviners, and rainmakers. The book also explores patriarchy and the social and inheritance system that has hindered women's education and prospects and exposed them to HIV/AIDS. Finally, there is a celebration of the various forms of artistic expression, such as drumming, ceremonial dance, and handicrafts, particularly ceramic pottery, that have won accolades, as well as a look at artists who excel in writing poetry, producing hip-hop, and painting batiks for popular consumption.

### Editorial Review

#### Review

"Otiso presents an introductory overview of the East African nation of Uganda, suitable as a reference for high school and college students and general readers. An opening chapter provides a concise treatment of basic information including the land, peoples, languages, education system, resources, occupations, economy, government, and history. Subsequent chapters cover, in more depth, various aspects of the Ugandan people and their culture, including their religion and worldview; literature, film, and media; art, architecture, and housing; cuisine and traditional dress; gender roles, marriage and family; social customs and lifestyle; and music, dance, and drama. The text also contains a chronology, glossary, and bibliographic essay. Illustrated with B&W photographs." - **Reference & Research Book News/Art Book News Annual**

### Users Review

#### From reader reviews:

##### Lila Smith:

This book untitled Culture and Customs of Uganda (Cultures and Customs of the World) to be one of several books that will best seller in this year, that's because when you read this guide you can get a lot of benefit into it. You will easily to buy this book in the book retail outlet or you can order it via online. The publisher on this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Cell phone. So there is no reason for you to past this e-book from your list.

##### Myrtle Hamer:

The reason why? Because this Culture and Customs of Uganda (Cultures and Customs of the World) is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you

with the secret that inside. Reading this book beside it was fantastic author who else write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the book store hurriedly.

**Joshua Matthews:**

Would you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its deal with may doesn't work the following is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer can be Culture and Customs of Uganda (Cultures and Customs of the World) why because the great cover that make you consider about the content will not disappoint an individual. The inside or content is definitely fantastic as the outside as well as cover. Your reading sixth sense will directly show you to pick up this book.

**Margaret Phillips:**

Many people spending their moment by playing outside together with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by looking at a book. Ugh, you think reading a book will surely hard because you have to take the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Culture and Customs of Uganda (Cultures and Customs of the World) which is getting the e-book version. So , why not try out this book? Let's observe.
