### Editorial Review

#### Review

Reviews of previous editions:

"*Political Theory: An Introduction* not only provides a remarkably lucid and informative analysis of a wide variety of theories and concepts, it also skillfully illustrates their relevance to modern-day political debates and developments...This is a fascinating and highly informative text which is clearly organized and written with wonderful clarity. Heywood conveys not only his undoubted expertise but also his enthusiasm for the subject...at 400 pages, it represents excellent value for money."--Peter Dorey, *Talking Politics*

"...an impressively comprehensive and clearly written volume...He writes clearly and smartly."--Harvey J. Kaye, *Times Higher Education Supplement*

"Here is a marvellous introductory tour through the territory of political theory ...Heywood has charted the area so clearly and matched his lucid thinking with such accessible prose that his guided tour is a tour de force, an ideal primer for new students of politics at both advanced and university level."--Jessica Saraga, *Times Educational Supplement*

"*Political Theory* is a lucid and highly engaging introduction to political theory. Heywood covers a large range of ideas and issues and he is particularly good at taking a synoptic view of these and making them accessible for those coming to political theory for the first time. No matter how high the ideal or how abstract the concept, he never fails to make it intelligible and to illustrate its relevance for the real world of politics."--Peter Jones, University of Newcastle-upon-Tyne

"A brilliant text; superbly organized in terms of the complex subject matter, very perceptive and wonderfully clearly written. Quite the best book on political ideas available."--Bill Jones, University of Manchester

#### About the Author

**Andrew Heywood** is Director of Studies at Croydon College.

### Users Review

#### From reader reviews:

##### Frank Ouellette:

This Political Theory, Third Edition: An Introduction book is simply not ordinary book, you have it then the world is in your hands.
