Editorial Review

From Publishers Weekly

This strongly argued feminist case against pornography stirred tremendous controversy when first published in 1979, and has lost none of its bite during its several years out of print. Dworkin (Letters from a War Zone), who lobbies for municipal statutes declaring pornography a violation of women's civil rights, insists that pornography links sex and violence by incorporating violent domination of women as a key element of sexual fantasy: "Force in high-class pornography is romanticized . . . as if it were dance." Dworkin also takes what many consider to be an extreme position; she believes that pornography incites men to sexual violence. To support her thesis, she draws parallels between the life and writings of the Marquis de Sade and provides critical summaries of several contemporary pornographic works. Dworkin's style is intense, vivid and eloquent, infused with a sense of urgency.

Users Review

From reader reviews:

Merideth Davis:

Here thing why this Pornography: Men Possessing Women are different and reliable to be yours. First of all reading through a book is good but it depends in the content from it which is the content is as yummy as food or not. Pornography: Men Possessing Women giving you information deeper as different ways, you can find any book out there but there is no e-book that similar with Pornography: Men Possessing Women. It gives you thrill studying journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. In case you are having difficulties in bringing the paper book maybe the form of Pornography: Men Possessing Women in e-book can be your alternative.

Roman Leonard:

Exactly why? Because this Pornography: Men Possessing Women is an unordinary book that the inside of the guide waiting for you to snap this but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of rewards than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I were being you I will go to the guide store hurriedly.

Ollie Johnson:

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try matter that really

opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Pornography: Men Possessing Women, you could enjoy both. It is good combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Nathan Pope:

What is your hobby? Have you heard that will question when you got scholars? We believe that that problem was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person like reading or as reading become their hobby. You have to know that reading is very important and book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You will find good news or update regarding something by book. Different categories of books that can you choose to adopt be your object. One of them is Pornography: Men Possessing Women.
