The Secret Diary of Adrian Mole, Aged 13 3/4 By Sue Townsend

Adrian Mole's first love, Pandora, has left him; a neighbor, Mr. Lucas, appears to be seducing his mother (and what does that mean for his father?); the BBC refuses to publish his poetry; and his dog swallowed the tree off the Christmas cake. "Why" indeed.

Editorial Review

Amazon.com Review

Teen angst has never been such serious business--or this much fun! In his secret diary, British teen Adrian Mole excruciatingly details every morsel of his turbulent adolescence. Mixed in with daily reports about the zit sprouting on his chin are heartrending passages about his parents' chaotic marriage. Adrian sees all, and he has something to say about everything. Delightfully self-centered, Adrian is the sort of teen who could rule a much better world--if only his crazy relatives and classmates would get out of his way. *The Secret Diary of Adrian Mole* is a riot, and--although written more than 15 years ago--there is something deliciously timeless about Adrian's angst.

Review

One of literature's most endearing figures. Mole is an excellent guide for all of us Observer Marvellous, touching and screamingly funny ... set to become as much a cult book as *The Catcher in the Rye* -- Jilly Cooper A satire of our times. Very funny indeed *Sunday Times*

From the Back Cover

Sue Townsend's hilarious, heartrending memoir of a British teenager named Adrian Mole became the biggest surprise bestseller in publishing history when it first appeared in 1982. After several years on the bestseller lists, a hit musical, a TV series, and five million sold -- Adrian is still going strong!

Users Review

From reader reviews:

Shanika Jeans:
