### The Swiss Spy By Alex Gerlis

‘On the 20-minute drive to Lutry, the Alps rose high to his left, the lake sweeping below him to the right. That summed it up, he thought: caught between two powerful forces. Not unlike serving two masters.’ It’s not unusual for spies to have secrets, but Henry Hunter has more than most and after he is stopped by British Intelligence at Croydon airport on the eve of the Second World War, he finds he has even more. From Switzerland he embarks on a series of increasingly perilous missions into Nazi Germany, all the time having to cope with different identities and two competing masters. In March 1941 in Berlin, haunted by a dark episode from his past, he makes a fateful decision, resulting in a dramatic journey to the Swiss frontier with a shocking outcome. *The Swiss Spy* is set against the true-life backdrop of the top-secret Nazi plans to invade the Soviet Union. The story paints an authentic picture of life inside wartime Europe: the menacing atmosphere, the ever-present danger and the constant intrigue of the world of espionage. *The Swiss Spy* is the follow-up novel to Alex Gerlis’ highly acclaimed bestseller *The Best of Our Spies*.
