A Horse of Her Own By Annie Wedekind

A girl who longs for her own horse is given the chance to care for a troubled, damaged horse, who needs her as much as she needs him.

Fourteen-year-old Jane Ryan has always dreamed of having a horse of her own—but so long as she gets to ride her favorite school horse, Beau, at Sunny Acres farm, she's content. And this is the summer she means to try out for the advanced riding class.

But just as camp begins, Jane receives heartbreak news about Beau. She loses, not just her favorite horse, but also her chance to ride in the end-of-summer competition. When her trainer asks for her help with an out-of-control chestnut warmblood, Lancelot, a newcomer to the barn, she has no choice but to say yes.

There's another new addition to the farm: Ben Reyes, the grandson of the barn's manager. As Jane struggles to go on without Beau, and to make Lancelot the great horse she believes him to be, her feelings for Ben, her relationships with the privileged group of girls she rides with, and her painful, joyous road to self-discovery all lead to a heart-pounding conclusion that is truly a new beginning. Only Jane's faith in Lancelot, and her own rediscovered skill and strength, can see her through the hard journey toward a horse of her own.

Editorial Review

From School Library Journal

Grade 5–8—Jane Ryan, 14, is a capable rider whose family is not affluent enough for her to have her own horse. She rides a school horse for years, but then he is sold. Jane also tries to deal with the fact that the wealthy girls with whom she rides have never completely accepted her, except for Robin. When she gets the opportunity to ride Lancelot, a talented but difficult animal, she gains his trust and eventually wins the first Sunny Acres event. Tenacious and thoughtful, Jane is an appealing protagonist who gradually recognizes that being accepted no longer matters to her. The plot, though unremarkable, has enough twists, including a hint of romance, to sustain readers' interest. The descriptions of the challenges involved in preparing for competing are believable, although the time needed to achieve success seems a bit short. This novel merits consideration where horse stories are popular.—*Carol Schene, formerly at Taunton Public Schools, MA*

From [Booklist](#)

With a title that telegraphs the denouement, this first novel is long on credible emotions but pulls up short on scenery and secondary characters. Jane spends the summer before ninth grade at the horse camp she has attended for years. Her fellow campers, rich and often snobby, stable their horses at the farm, while Jane, less monied and more earnest, doesn't own a horse. After her usual mount is sold, she's given charge of an unruly, new horse. Although class differences and the teens' emerging personal values are well depicted, not everything here rings as true. Jane's father is a professor, and her mother also teaches, so their characterization as impoverished isn't very credible and Jane also has spots waiting for her at three different high schools right up through August, which seems unlikely. Although lots of horse-related vocabulary goes unexplained, readers who love anything equine will be well pleased, and Wedekind's recognition of the fondness girls sometimes develop for horses is right on target. Grades 5-7. --Francisca Goldsmith

Review

"Sensitive, sophisticated and lyrically written, Wedekind's debut portrays the typical teen struggle for self-awareness in an anything-but-typical fashion. Possibly the most honest horse book since *National Velvet*, from an equestrian point-of-view, this offering's riding scenes combine accuracy with seat-of-the-pants excitement. A champion." ?*Kirkus Reviews, Starred Review*

"There aren't a lot of books around for horse-mad girls these days Where oh where are the horsey novels? Thank goodness for Annie Wedekind. She has written an utterly charming novel that should be placed into the hands of horse-loving girls immediately upon publication." ?*Kidliterate.com*

From reader reviews:

Thomas Whitaker:

Information is provisions for anyone to get better life, information currently can get by anyone with everywhere. The information can be a expertise or any news even a concern. What people must be consider whenever those information which is within the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you obtain

the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take A Horse of Her Own as the daily resource information.

Solomon Steward:

Your reading 6th sense will not betray you actually, why because this A Horse of Her Own reserve written by well-known writer who really knows well how to make book that could be understand by anyone who read the book. Written throughout good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still uncertainty A Horse of Her Own as good book but not only by the cover but also by the content. This is one e-book that can break don't assess book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listening to one more sixth sense.

Carole Houston:

This A Horse of Her Own is great publication for you because the content which can be full of information for you who else always deal with world and get to make decision every minute. That book reveal it data accurately using great arrange word or we can state no rambling sentences in it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with wonderful delivering sentences. Having A Horse of Her Own in your hand like getting the world in your arm, details in it is not ridiculous one. We can say that no e-book that offer you world within ten or fifteen moment right but this guide already do that. So , this is certainly good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

Caitlin Cruz:

Is it you actually who having spare time subsequently spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This A Horse of Her Own can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?
