Meddling Kids By Allyson Brooks

Mystery on the bog? Haunting in the old mansion? Strange goings-on at the abandoned circus? That's all in a day's work for the Meddling Kids!

Meddling Kids is a pen & paper role-playing game aimed at players from ages 7 and up, and perfect for everyone. Designed and written to be easily understood, Meddling Kids uses its own unique game system--The Starter System--that is planned as a springboard to other, more involved gaming systems. And each adventure should take less than an hour each to play, making it easy for young minds to stay focused.

The theme of the game is simple: a group of kids and their anthropomorphic sidekick friend--what we call The Wild Card--have to solve mysteries and save the day. You've seen this model before in countless television series where kids team up with a talking animal, a talking car, an unfrozen caveman, or anything that you can imagine. The players take the roles of the kids and the gamemaster assumes the role of the Wild Card to make sure that the adventure goes the right way. And when the time comes, there are rules for setting a trap to catch the bad guy and solve the mystery.

Jump right into the fun and get the youngest kids started down the path of a great hobby right now! Meddling Kids are here to save the day!
