**Oxford Guide to Effective Argument and Critical Thinking** By Colin Swatridge

How do you approach an essay or discussion question? How do you review what claims others have made and offer counter-claims? And how do you weigh up the strengths and weaknesses of your own argument before putting together a persuasive conclusion?

This accessible book takes you step by step through the art of argument, from thinking about what to write and how you might write it, to how you may strengthen your claims, and how to come to a strong conclusion. Engagingly written and featuring useful summaries at the end of each chapter, this new book offers easily transferable practical advice on assessing the arguments of others and putting forward effective arguments of your own. The book's strength lies in its clear guidance and the use of real-life arguments - both contemporary and historical - and real-life essay questions from a variety of disciplines across the humanities and social sciences. These interesting, relevant, and often entertaining, examples are used not to illustrate, but to make essential points about what can be learnt, what techniques can be borrowed, and what pitfalls to avoid in the area of analytical thinking and writing.

*The Oxford Guide to Effective Argument and Critical Thinking* is sure to improve the written work of any student required to demonstrate the key skills of critical writing and thinking. It is equally as valuable for professionals needing these skills (e.g. journalists, lawyers, researchers, politicians) as well as for anyone who has a case to put forward and would like to do so convincingly.

### Users Review

#### From reader reviews:

##### Glenn Pryor:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each reserve has different aim or maybe goal; it means that reserve has different type. Some people really feel enjoy to spend their time to read a book. These are reading whatever they acquire because their hobby will be reading a book. How about the person who don't like examining a book? Sometime, particular person feel need book whenever they found difficult problem or exercise. Well, probably you'll have this Oxford Guide to Effective Argument and Critical Thinking.

##### Michael Lucius:

Book is definitely written, printed, or illustrated for everything. You can understand everything you want by a e-book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Alongside that you can your reading ability was fluently. A book Oxford Guide to Effective Argument and Critical Thinking will make you to end up being smarter. You can feel much more confidence if you can know about almost everything. But some of you think in which open or reading some sort of book make you bored. It is far from make you fun. Why they might be thought like that? Have you looking for best book or suited book with you?

##### Kathryn Hebert:

The reason why? Because this Oxford Guide to Effective Argument and Critical Thinking is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining means but still convey the meaning totally. So ,

it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book have got such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the e-book store hurriedly.

**Eric Hodges:**

Playing with family in a very park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Oxford Guide to Effective Argument and Critical Thinking, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't obtain it, oh come on its named reading friends.
