**Salvation in Death** By J. D. Robb

**Ancient church rituals meet cutting-edge crime-solving in this thriller in the #1 *New York Times* bestselling series featuring NYPDS Lieutenant Eve Dallas.**

Seconds after partaking of wine during a Catholic funeral mass, Father Miguel Flores is dead on the altar. Detective Lieutenant Eve Dallas confirms that the consecrated wine contained enough potassium cyanide to kill a rhino. And though the East Harlem neighborhood is a long way from the stone mansion she shares with her billionaire husband Roarke, it's the holiness flying around St. Christobal's that makes her uneasy.

The autopsy reveals faint scars of knife wounds, a removed tattoo—and evidence of plastic surgery suggesting “Father Flores” may not be the man his parishioners thought. Now, as Eve pieces together clues that suggest identity theft, gang connections, and a deeply personal act of revenge, she hopes to track down whoever committed this unholy act. Until a second murder—in front of an even larger crowd of worshippers—knocks the whole investigation sideways...

### Editorial Review

#### From Publishers Weekly

Holy communion spells death for Fr. Miguel Flores, a popular Catholic priest in New York City's Spanish Harlem, after he swallows wine laced with cyanide during a funeral in bestseller Robb's unusually introspective 27th crime thriller to feature Lt. Eve Dallas (after *Strangers in Death*). The ensuing homicide investigation suggests that Flores could actually be Lino Martinez, a former member of a disbanded gang, the Soldados, suspected of two bombings before he disappeared. The death by cyanide of another religious figure, Jimmy Jay Jenkins, founder of the Church of Eternal Light, complicates matters. Are the two murders connected? Sussing out the answer to that question involves some serious digging. Dallas's husband, Roarke, and fun sidekick, Det. Delia Peabody, lend support. Robb offers a multilayered solution to several crimes that serves as yet another reminder that wolves sometimes hide in sheep's (or priest's) clothing, but justice, like faith, has no expiration date. #### From Booklist

The Eve Dallas series of near-future mysteries rolls comfortably along in this latest installment, the twenty-ninth. The series began in 1995 so the author can fairly be accused of cranking them out (she's also published a book or two under her real name, Nora Roberts). Despite being a lesser product of the Roberts machine, the Dallas novels have a certain charm, in a mass-produced kind of way. The near-future setting (the mid-twenty-first century) is nicely realized without being too excessively detailed; the protagonist, homicide detective Dallas, is a likable and strong character, well able to support a multivolume series; and the cases—including this one, about a murder in an ancient church, the aftermath of which reveals that the victim might not have been the gentle Catholic priest his parishioners thought he was—are imaginative and suspenseful. The dialogue is a little clumsy, and the narrative passages sometimes seem a bit contrived, but there's a reason so many Dallas novels have appeared in so short a time: they sell. So will this one. --David Pitt

#### Review

#### Praise for the *In Death* series

“Robb is a virtuoso.”—*Seattle Post-Intelligencer*

“It’s *Law & Order: SVU*—in the future.”—*Entertainment Weekly*

“J. D. Robb’s *In Death* novels are can’t-miss pleasures.”—#1 *New York Times* bestselling author Harlan Coben

“Anchored by terrific characters, sudden twists that spin the whole narrative on a dime, and a thrills-to-chills ration that will raise the neck hairs of even the most jaded reader, the J. D. Robb books are the epitome of great popular fiction.”—*New York Times* bestselling author Dennis Lehane
