Editorial Review

From Publishers Weekly

Starred Review. *Gossip Girl* meets *Dynasty* in Bagshawe's compelling sequel to the late Sydney Sheldon's *Master of the Game* (1982), which chronicled the sticky power struggles of the Maxwells, America's richest family. A new generation of Maxwells includes Eve, an evil temptress brutally scarred by her controlling cosmetic surgeon husband, and her identical twin sister, Alexandra, an angel in comparison. Alexandra dies giving birth to a daughter, Lexi, while Eve survives the birth of her son, Max. Eve plots to take back the family's business empire, rearing Max to hate and, at age 10, kill his father. Lexi's father, Peter, and her big brother, Robbie, surround Lexi with love, but she's traumatized at age eight when she's kidnapped and raped. Years pass as Lexi and Max square off, while across the ocean the most famous barrister in London embarks on a quest that will eventually lead him to Lexi, but not without many shocking twists. Bagshawe (*Adored*) expertly channels Sheldon's lurid, feverish prose. (*Aug.*)

Review

'A master storyteller at the top of his game.' USA Today 'Compulsively readable.' New York Times Book Review FLAWLESS 'Bagshawe's prose is as breathless as her plotting' Mirror

From the Back Cover

Beloved number one internationally bestselling author Sidney Sheldon introduced the glamorous, scheming Blackwell family and its unforgettable matriarch, Kate Blackwell, in his worldwide bestseller *Master of the Game*. Now a generation has passed, and as the world has changed, so too has America's own royal family.

Yet the intervening years have not lessened the Blackwells' drama or talent for manipulation, domination, and passion. Though Kate is long gone, the children of her beloved granddaughters, Eve and Alexandra, battle to carry on her powerful legacy. Each is determined to control Kruger-Brent, Ltd., the multibillion-dollar international corporation with holdings in diverse industries around the globe. But only one can reign supreme. . . .

Lexi Templeton is a ruthless competitor with the brains and beauty to match. Raised by her psychiatrist father, Lexi burns to follow in her great-grandmother's footsteps and become her own Mistress of the Game.

She is not alone in her ambitions. Her handsome and nefarious cousin, Max Webster, the son of Eve, will stop at nothing to own the prize of Kruger-Brent. Driven by hatred, jealousy, and blinding devotion to his bitter and twisted mother, he will seduce, betray, and even kill to succeed.

And there is another player with plans of his own: a little-known descendant of Kate's great-grandfather. Growing up in poverty in Aberdeen, Scotland, handsome and cunning Gabriel McGregor is determined to fulfill his destiny . . . a quest that will lead him deep into the heart of the Kruger-Brent empire.

In a family rife with secrets—murder, hidden identities, perversions—and a depraved sense of honor, the player who wins the game may be the only one who will survive.

Full of the late master's trademark elements—remarkable characters, dazzling plotting, and a page-turning narrative style—this sizzling sequel vividly captures the master's voice and irresistible magic. Vintage

Sheldon, *Mistress of the Game* will enthrall loyal fans and introduce his enduring brand to legions more.

Users Review

From reader reviews:

Martin Adams:

The feeling that you get from Sidney Sheldon's *Mistress of the Game* may be the more deep you rooting the information that hide inside words the more you get enthusiastic about reading it.
