**Stinger** By Robert R. McCammon

**A relentless alien bounty hunter encloses a Texas town under a dome to isolate, hunt, and kill its prey in “the ultimate horror novel” (*The Philadelphia Inquirer*).**

Ever since the copper mine closed, the West Texas desert hellholes of Inferno and Bordertown have been slowly dying. Snake River isn’t the only thing that divides them. Racism, gang wars, and anti-Mexican sentiment have turned the sun-scorched flatlands into a powder keg. If anything can unite them for now, at least in awe and wonder, it’s the UFO that comes soaring out of the clouds like a flaming locomotive.

In the wake of the crash, a young alien named Daufin has arrived, too. A fugitive who has taken the form of a human, she knows the terror that awaits the inhabitants of this planet—because it is looking for her.

When Stinger, the monstrous alien bounty hunter, arrives, it’s with a destructive fury and a devious plan to find Daufin—by entombing the residents in an impenetrable and inescapable dome. A relentless killing machine, Stinger has an infinite capacity for death and destruction. And over the next twenty-four hours, this town is going to bleed and burn. Now, the few remaining survivors must come together to protect Daufin, themselves, and the world beyond from total annihilation.

From the *New York Times*—bestselling and Bram Stoker Award—winning author of *Swan Song*, *Stinger* was called “one of the best suspense novels of recent years” by the *Science Fiction Chronicle*.

### Editorial Review

#### Amazon.com Review

The "stinger" is an alien bounty hunter that remains ominously hidden for most of the book, but appears to be an enormous wicked mixture of centipede and scorpion. The bounty it's after is the "good guy" of the tale—a waif-like being who invades the mind of a small girl to make its presence known. They both arrive in a hot, desolate West Texas town surrounded by the alkali dust and sagebrush of a flatland between mountains. And the battle begins. An unpretentious horror novel with memorable imagery, *Stinger* is this reviewer's favorite of Robert McCammon's. It has appealing characters. It has feuding motorcycle gangs. It even has a bit of a *West Side Story* romance between Anglo guy and Hispanic girl. Sure, it's a B-movie romp, but McCammon is earnest—he doesn't play it for laughs. The action is scary and horrifying, making for a long, satisfying read.

#### Review

"One of the best suspense novels of recent years." —*Science Fiction Chronicle*

"The ultimate horror novel." —*The Philadelphia Inquirer*

"McCammon delivers terror with skillful ferocity." —*Publishers Weekly*

#### From the Inside Flap

First published as a paperback original in 1988, *Stinger* remains one of Robert McCammon's wildest, most compelling creations. Both a furiously paced action novel and an affectionate tribute to the SF/Horror films of an earlier era, it is vintage McCammon, and a grand, often visceral entertainment. The story takes place during a single twenty-four hour period in Inferno, Texas. Inferno is a town in trouble, driven to the brink by racial tension, gang violence, and a collapsing economy. But things can always get worse, and they do so with astonishing speed when an unidentified spacecraft crash lands in the desert outside of town, followed by a second craft bearing the alien being who will soon be known as Stinger. Stinger is a kind of interstellar hunter on a mission he intends to complete, whatever the cost. He brings with him an endless array of technological marvels and an infinite capacity for destruction that threaten the existence of Inferno, its inhabitants, and the larger world beyond. Filled with a large cast of vividly realized characters and sporting some of the most memorably horrific imagery you will ever encounter, *Stinger* is an adrenaline-fueled narrative of the highest order, its classic, pulp fictional elements transformed and elevated by a master storyteller. The result is pure Robert McCammon, an engrossing, hugely enjoyable experience that is sure to stay with you for a very long time to come.
