Editorial Review

Review

"Invaluable! I wish I had this when I was first training my dog!" --Harriet Irwin

"We have had overwhelmingly positive feedback to Patricia's books here in Germany. Finally, someone knows how to write about behavior AND training in a very enlightening way. Trisha holds up a mirror to show us our behavior around dogs - and makes us laugh with the discoveries we make about ourselves. One of the reasons for her success is that she never comes across as lecturing with a wagging finger. She likes humans as much as she loves dogs which is expressed clearly in her writing." --Gisela Rau, Kynos Publishing
