A Cottage by the Sea By Ciji Ware

"Do not start unless you want to be up all night!...Whether or not you believe in reincarnation, you'll believe in the ability of love to transcend time and place and the wonder of Ciji Ware's writing. Superb!" —*Romantic Times* (Gold Medal review)

One woman, one man, one shared fate...

A remote cottage on the wild coast of Cornwall sounded to Blythe Barton Stowe like the perfect escape from the pain and humiliation of recent events in her Hollywood life. But soon she seems to be reliving a centuries-old tragedy, and the handsome owner of the shabby manor house on the hill appears vitally entwined in her destiny. As they unearth one shocking family secret after another, Blythe is forced to conclude that her intriguing neighbor is more than just an impecunious British gentleman bent on saving his ancestral home. And the impeccably honorable Lucas Teague begins to see Blythe as a lifeline in an otherwise bleak existence.

But is the unbridled attraction they're experiencing a dangerous distraction, or could it be strong enough to transcend the insurmountable complexities of time and place...?

"A deep, complex novel exploring love, betrayal, healing, and renewal in the human heart." —*Affaire de Coeur*

"A book to be savored and then put on the keeper shelf." —*Gothic Journal*

Amazon.com Review

What would you do if you caught your sister in bed with your husband? Chances are at the very least you'd nix your relationship with both of them and run as far away as you could get--especially if the story is going to be plastered all over the tabloids. This is exactly what Hollywood mogul Blythe Stowe does. She heads to England and the Cornish Coast. There she steeps herself in Daphne du Maurier's wonderful novels, finds love with an Englishman, and discovers family secrets that have been long concealed.

From the Publisher

It's always fun to start publishing an author that I've never read before, especially when the book we publish turns out to be such a good read, like this one. Ciji Ware does an excellent job of mixing past and present without all the confusion that sometimes accompanies these parallel life novels. Both stories are well-developed, with interesting characters and good plots. Lisa Congelosi, Sales Rep
