Editorial Review

From Publishers Weekly

Viewers of Herriot's TV series *All Creatures Great and Small* will find themselves in familiar territory here. We meet Olly and Ginny, feral kittens who disdained indoor life. Frisks's "spells" were a puzzle until Herriot learned that the cat licked the medicine saucer of its owner, a terminal cancer patient. Oscar, an injured stray was notable for attending public meetings. Moses, a black kitten, joined a litter of pigs and was accepted by the sow. These heartwarming stories should make an ideal gift for cat lovers. Illustrations not seen by PW. Copyright 1994 Reed Business Information, Inc.

From Booklist

Eight years after *James Herriot's Dog Stories*, the grand old British veterinarian and raconteur has compiled a similar but much shorter collection, in small gift-book format, of his favorite cat tales. Noting in the introduction that the status of the species has changed dramatically since he began practice in Yorkshire more than half a century ago, he states that cats are now arguably the most popular of all family pets. Of the 10 vignettes excerpted here from previous books, 3 tell how over an extended period of time the Herriots gradually tamed a pair of feral cats; the rest are humorous and/or touching stories about particular felines--and their people--encountered in the course of Herriot's predominantly large-animal work. Although they will recognize most, perhaps all, of the selections (one appeared in 1985 as the children's picture book *Moses, the Kitten*), Herriot's devotees, especially cat lovers, will applaud this encore. *Barbara Duree*
