### Music: The Art of Listening By Jean Ferris

Emphasizing music in the context of the society that surrounds it, *Music: The Art of Listening* weaves the development of Western music into the fabric of cultural history, paying special attention to the biographies of significant composers. In a clear and accessible format, it introduces music from centuries past as well as that of the current era, and helps the listener develop techniques to fully appreciate music in public performance halls, on the radio, in films, or in the theater. Among the highlights of this seventh edition is a greatly expanded selection of Listening Examples, which are available on the text's companion CD set.

### Editorial Review

#### About the Author

After receiving her MA in Music History and Literature at Arizona State University, Jean Ferris taught Music History and Appreciation at ASU. In addition to her work at the University, she has been involved with the music community by serving as a church choir director, singing with the Phoenix Symphony Chorale, playing the organ, and touring to Japan with her high school handbell choir--apparently the first handbell choir to perform in that country.

Ferris is the author of two books: *Music: The Art of Listening* and *America's Musical Landscape*.
