Spellbound By Sylvia Day

From #1 New York Times bestselling author Sylvia Day comes a story of the ultimate seduction...

Max Westin. Sex incarnate. She could smell it, feel it with his proximity. Everything about him was a little rough, a little gritty. A primitive creature. Just like she was.

He held her hand a little too long, his thickly-lashed gaze clearly stating his intentions to have her. To *tame* her. . .

"Victoria."

Her name, just one word, but spoken with such possession she could almost feel the collar around her neck.

"It's in your nature," he murmured. "The desire to be taken."

In this game of cat and mouse, everything is an illusion but the passion is as real as it gets . . .

Editorial Review

Review

"*Spellbound* contains two previously released stories and a third, new short story combined to form a novel set in a world of warlocks and their submissive familiars. Fans of Day's paranormal novels and the Crossfire series will love *Spellbound*. Day's latest has a BDSM storyline with a paranormal twist that can easily be read in one sitting. Between the exciting plot and the hot sex scenes throughout, *Spellbound* leaves readers wanting more!" - *RT Book Reviews*

"Hot, rough, and deeply sensual, this novel is a winning contribution to the supernatural erotic genre. Max and Victoria's bond as Warlock and Familiar is predicated on the dominant/submissive element of their relationship and also helps validate the savage intensity of their otherworldly passion. Overall, this is a hot read with a great backstory to match. Fans of Day's work (***Bared to You; Entwined with You***) will not be disappointed." - *Library Journal*
