### **The Open Door** By Latifa Al-Zayyat

The Open Door is a landmark of women's writing in Arabic. Published in 1960, it was very bold for its time in exploring a middle-class Egyptian girl's coming of sexual and political age, in the context of the Egyptian nationalist movement preceding the 1952 revolution. The novel traces the pressures on young women and young men of that time and class as they seek to free themselves of family control and social expectations. Young Layla and her brother become involved in the student activism of the 1940s and early 1950s and in the popular resistance to continued imperialist rule; the story culminates in the 1956 Suez Crisis, when Gamal Abd al-Nasser's nationalization of the Canal led to a British, French, and Israeli invasion. Not only daring in her themes, Latifa al-Zayyat was also bold in her use of colloquial Arabic, and the novel contains some of the liveliest dialogue in modern Arabic literature.

### Editorial Review

#### Review

"Not only a great novel, but a literary landmark that shaped our consciousness." -- Abdel Moneim Tallima

#### About the Author

Latifa Al-Zayyat (1923-96) struggled all her life to uphold just causes -- national integrity, the welfare of the poor, human rights, freedom of expression, and the rejection of all forms of imperialist hegemony. As a professor of English literature at Ain Shams University, her critical output was no less prolific than her creative writing, but the creative, academic, and political strands of her personality were interwoven. The Open Door is generally recognized as her magnum opus.

### Users Review

#### From reader reviews:

##### Sherry Spears:

The book The Open Door can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book The Open Door? Wide variety you have a different opinion about reserve. But one aim which book can give many info for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or information that you take for that, it is possible to give for each other; you may share all of these. Book The Open Door has simple shape but you know: it has great and big function for you. You can search the enormous world by wide open and read a e-book. So it is very wonderful.

##### Anne Hahn:

Why? Because this The Open Door is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking means. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.

##### Martin Kelley:

Is it you who having spare time in that case spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This The Open Door can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

**Sean Martinez:**

Within this era which is the greater man or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple approach to have that. What you must do is just spending your time little but quite enough to get a look at some books. One of many books in the top listing in your reading list is definitely The Open Door. This book that is certainly qualified as The Hungry Mountains can get you closer in getting precious person. By looking upward and review this guide you can get many advantages.
