## The Wandering Jew Has Arrived By Albert Londres

In 1929 Albert Londres, a non-Jew and renowned journalist, set out to document the lives of Jews at this time. His travels to England, Eastern Europe and finally Palestine produced the literary masterpiece, *The Wandering Jew has Arrived*. In the East End of London, Londres is moved by the unswerving faith of the Jews. In Eastern Europe he is astounded by the misery and plight he witnesses. The bleak picture is redeemed by his gentle humor, sharp observations and the unforgettable portraits he paints of the exotic individuals he encounters along his way. Londres vividly depicts the birth of Zionism and the wave of pogroms that propelled Jewish immigration to Palestine at the turn of the 20th century. In Palestine, he discovers the new metamorphosed Jew, and his succinct, harrowing descriptions of the Arab massacres of the Jews of Hebron and Safed expose an age-old animosity that is still very much alive today. Presciently, Londres investigation provides startling insight into how the unthinkable the Holocaust could happen, sweeping across Europe barely a decade after the publication of his book. His evocative, passionately and very personally told story transports readers back to a pivotal moment in history and offers an invaluable perspective on Jewish life in the early twentieth century, on the nascent days of the State of Israel, and on the ongoing strife that has engulfed the region ever since. *The Wandering Jew Has Arrived* is as relevant today as when first penned.

### Editorial Review

#### Review

I **highly recommend** The Wandering Jew Has Arrived, especially for students of history, and anyone interested in Jewish life in Europe and Palestine before the Holocaust. --**Dave Lan, Israellycool**

**Read today**, The Wandering Jew Has Arrived can be seen as a chilling and prophetic piece of historical reportage. And so, a dozen years after the Balfour Declaration, he began his investigations into the economic status of the Jews in Europe and their views on Zionism. --**Diane Cole, Jewish Review of Books**

**The quality of Londres' noticing is itself worthy of our notice.** It allows us to take a fresh, retrospective glance, however aching, over the nearly nine decades that have intervened between his way of noticing and ours. Our profession is not to give pleasure, nor to do harm, Londres once said. It is to twist the pen into the wound. In giving voice to a Jewish world on the eve of rupture, unhealed to this day, his pen found its full measure of poetry and eloquence. --**Benjamin Balint, Haaretz**

#### About the Author

Albert Londres (1884-1932), was a pioneer of investigative journalism in the early 20th century. In his search for the truth, Londres traveled across the world documenting cruelty and injustice and his reports for the French press helped change public opinion and policies towards penal colonies, forced labor, mental asylums and the exploitation of black Africans. The Wandering Jew Has Arrived is based on a series of articles he wrote for the French newspaper Le Parisien. The Albert Londres Prize, on a par with the Pulitzer Prize, is awarded every year to the top two journalists in France.

### Users Review

#### From reader reviews:

##### Walter Cornwell:

Book is definitely written, printed, or highlighted for everything. You can realize everything you want by a book. Book has a different type. We all know that that book is important factor to bring us around the world. Beside that you can your reading proficiency was fluently. A book The Wandering Jew Has Arrived will make you to possibly be smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think this open or reading some sort of book make you bored. It isn't make you fun. Why they are often thought like that? Have you looking for best book or acceptable book with you?

##### Clarence Nelson:

Many people spending their time frame by playing outside having friends, fun activity along with family or just watching TV all day long. You can have new activity to shell out your whole day by reading a book. Ugh, think reading a book can really hard because you have to use the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like The Wandering Jew Has Arrived which is keeping the e-book version. So , why not try out this book? Let's notice.

**Ronda Tollison:**

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many concern for the book? But just about any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book and also novel and The Wandering Jew Has Arrived or maybe others sources were given information for you. After you know how the good a book, you feel want to read more and more. Science book was created for teacher or maybe students especially. Those ebooks are helping them to put their knowledge. In different case, beside science publication, any other book likes The Wandering Jew Has Arrived to make your spare time much more colorful. Many types of book like this.

**Dennis Utley:**

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is published or printed or created from each source that filled update of news. With this modern era like currently, many ways to get information are available for you actually. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the The Wandering Jew Has Arrived when you required it?
