**World Prehistory and Archaeology** By Michael Chazan

**An integrated picture of prehistory as an active process of discovery.**

*World Prehistory and Archaeology: Pathways through Time*, third edition, provides an integrated discussion of world prehistory and archaeological methods. This text emphasizes the relevance of how we know and what we know about our human prehistory. A cornerstone of *World Prehistory and Archaeology* is the discussion of prehistory as an active process of discovery. Methodological issues are addressed throughout the text to engage readers.

Archaeological methods are introduced in the first two chapters. Succeeding chapters then address the question of how we know the past to provide an integrated presentation of prehistory. The third edition involves readers in the current state of archaeological research, revealing how archaeologists work and interpret what they find. Through the coverage of various new research, author Michael Chazan shows how archaeology is truly a global discipline. Learning Goals Upon completing this book, readers will be able to:

- \* Gain new perspectives and insights into who we are and how our world came into being.
- \* Think about humanity from the perspective of archaeology.
- \* Appreciate the importance of the archaeological record for understanding contemporary society.

### Editorial Review

#### Review

“I am quite impressed with the coverage of parts of the world far away from the author's own research and experience.”

- Robert Tykot, University of South Florida

“Presents a well-digested, well-illustrated narrative of the human career, emphasizing both archaeological tools and products of archaeological investigation.”

- LuAnn Wandsnider, University of Nebraska - Lincoln

“Both my students and I appreciate [Michael Chazan's] writing style as academic yet accessible.”

- Andrew Wyatt, University of Illinois at Chicago

“The author's writing style is smooth and approachable for students accustomed to today's information-technology permeated world. To my mind, he conveys an understanding of the demands of teaching a very different breed of students that have been educated in multi-media environments. That is a huge plus.”

- Michael Danti, Boston University

“A comprehensive text for both those interested in archaeology and world prehistory. The essentials are there, without the "fluff" of other books on the subject. Great for introductory level students in the humanities and social sciences.”

- Brad Biglow, Florida State College at Jacksonville

“A very good textbook for an introductory archaeological course with an emphasis on world prehistory.”

- Brett Houk, Texas Tech University

#### About the Author

**Michael Chazan** is an Associate Professor in the Department of Anthropology and the Director of the Archaeology Centre at the University of Toronto. He earned his Ph.D. in anthropology at Yale University. Before coming to Toronto, Dr. Chazan was a postdoctoral fellow with the Centre National de la Recherche

Scientifique in Paris and at the Hebrew University in Jerusalem. Among his field experience are excavations in New Jersey, France, Israel, Jordan, Egypt, and South Africa. Dr. Chazan's publications include a monograph on the Lower Paleolithic site of Holon, Israel, coauthored with Liora Kolska-Horwitz. Dr. Chazan is currently engaged in a project on the Earlier Stone Age of South Africa. The project pulls together an international team of researchers to study a series of spectacular sites located in the Northern Cape Province.

## **Users Review**

### **From reader reviews:**

#### **Billie Duran:**

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Plenty of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the publications. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some investigation before they write with their book. One of them is this World Prehistory and Archaeology.

#### **Irene Allen:**

This World Prehistory and Archaeology is great guide for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with beautiful delivering sentences. Having World Prehistory and Archaeology in your hand like finding the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world inside ten or fifteen tiny right but this publication already do that. So , this really is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that will?

#### **Bernetta Smith:**

Reading a book for being new life style in this calendar year; every people loves to read a book. When you examine a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, along with soon. The World Prehistory and Archaeology offer you a new experience in examining a book.

#### **Clifford Harris:**

Many people spending their moment by playing outside along with friends, fun activity together with family
