Another Roadside Attraction By Tom Robbins

What if the Second Coming didn't quite come off as advertised? What if "the Corpse" on display in that funky roadside zoo is really who they say it is—what does that portend for the future of western civilization? And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high-tech age?

Another Roadside Attraction answers those questions and a lot more. It tells us, for example, what the sixties were truly all about, not by reporting on the psychedelic decade but by recreating it, from the inside out. In the process, this stunningly original seriocomic thriller is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind.

From the Trade Paperback edition.

Editorial Review

Amazon.com Review

It's clear that when Robbins sits down to write, he has one thing on his mind: having himself some fun. I read **Another Roadside Attraction**, years ago, then immediately went back to the beginning of the book and read it again. Robbins holds nothing back in this, his first novel. It's a perfect introduction to the Robbins oeuvre of oddness.

Review

"Written with a style and humor that haven't been seen since Mark Twain . . . it is a prize."--*Los Angeles Times*

"Hard to put down because of the sheer brilliance and fun of the writing. The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce."—*Rolling Stone*

People live in this new moment of lifestyle always try and and must have the free time or they will get large amount of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not a robot. Then we ask again, what kind of activity have you got when the spare time coming to an individual of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, the book you have read is Another Roadside Attraction.

Jeff Weaver:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Another Roadside Attraction can make you truly feel more interested to read.
