**Six Days of the Condor** By James Grady

**The novel that inspired the Robert Redford film *Three Days of the Condor***

Sandwiches save Ronald Malcolm's life. On the day that gunmen pay a visit to the American Literary Historical Society, he's out at lunch. The Society is actually a backwater of the Central Intelligence Agency, where Malcolm and a few other bookworms comb mystery novels for clues that might unlock real-life diplomatic questions. One of his colleagues has learned something he wasn't meant to know. A sinister conspiracy has penetrated the CIA, and the gunmen are its representatives. After massacring the office, they learn of Malcolm—a loose end that needs to be dealt with.

Malcolm—codename Condor—calls his handlers at the Agency hoping for a safe haven, but draws another attempt on his life instead. With no one left to trust, he goes on the run. But whether he likes it or not, Malcolm is the only person who can root out the corruption at the highest levels of the CIA.

### Editorial Review

#### Review

“Grady is a master of intrigue.” —John Grisham

“A breathless hunt and chase . . . a shock at every turn!” —*Publishers Weekly*

“A chilling novel of top security gone berserk. . . breakneck . . . not a slow minute.” —*Library Journal*

#### About the Author

James Grady (b. 1949) is the author of screenplays, articles, and over a dozen critically acclaimed thrillers. Born in Shelby, Montana, Grady worked a variety of odd jobs, from hay bucker to gravedigger, before graduating from the University of Montana with a degree in journalism. In 1973, after years of acquiring rejection slips for short stories and poems, Grady sold his first novel: *Six Days of the Condor*, a sensational bestseller which was eventually adapted into a film starring Robert Redford.

After moving to Washington, D.C. Grady worked for a syndicated columnist, investigating everything from espionage to drug trafficking. He quit after four years to focus on his own writing, and has spent the last three decades composing thrillers and screenplays. His body of work has won him France’s Grand Prix du Roman Noir, Italy’s Raymond Chandler Award, and Japan’s Baka-Misu literary prize. Grady’s most recent novel is *Mad Dogs* (2006). He and his wife live in a suburb of Washington, D.C.

### Users Review

#### From reader reviews:

##### Gregory Proctor:

This book untitled Six Days of the Condor to be one of several books that will best seller in this year, that's because when you read this book you can get a lot of benefit into it. You will easily to buy this kind of book in the book retail store or you can order it by means of online. The publisher with this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Mobile phone. So there is no reason to you to past this guide from your list.

##### William Mayer:

This Six Days of the Condor is great e-book for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This book reveal it facts accurately using great manage word or we can say no rambling sentences within it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having Six Days of the Condor in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offer you world inside ten or fifteen moment right but this guide already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

**Mary Richie:**
