The Innocents By Lili Peloquin

Even the innocent don't kiss and tell...

“...the quick pacing will keep readers engrossed in this series kickoff as Alice and Charlie try to sort through the soap opera that is their new lives and figure out who they can trust. **It's Gossip Girl for Connecticut's Gold Coast.**”

—**Publishers Weekly**

The Innocents weaves a saga of nail-biting drama, breathless romance, and gothic mystery perfect for fans of ABC's *Revenge*.

Though they share the same blood, Alice and Charlie couldn't be more different. Alice is older (by one year and one day), shy and reserved, a cool blonde, a painter, a reader, a thinker. Charlie is feisty and uninhibited, a wild brunette, the kind of girl who punches a bully right in the mouth. They hate each other. They love each other. They stand by each other, when no one else will. They're sisters.

Then their parents divorce. Soon, Alice, Charlie, and their mother are leaving their old life behind. They're saying goodbye to their cramped Cambridge apartment and driving along the rocky Connecticut coastline—to their stepfather's summer estate in the wealthy town of Serenity Point.

The minute they drive through the gates, they wish they never had. Their arrival reopens old wounds, memories of lost loves, best friends—and bitter rivals. The people of Serenity Point thought the past was dead and buried. They were wrong.

Editorial Review

From [Booklist](#)

Emotionally close sisters with distinct and credible personalities find themselves whisked from their divorced mother's apartment in a working-class neighborhood to the palatial home of her new husband at a Connecticut beach resort. Alice, 17, is quiet but not passive, and 16-year-old Charlie is rather a wild child, but with the ability to think reflectively between bouts of partying. The creepiness of their wealthy new community and their mother's apparent personality change since her marriage are subtly and inexorably portrayed in a consuming, almost mesmerizing story. The town's youth, whether rich or not, have secrets, and the adults are telling a variety of lies. The new stepfather's own teenage daughter, Camilla, died in what he first says was an accident but that later he notes was suicide. When Alice finally finds pictures of Camilla, she and Charlie both see a stark resemblance between Alice and the dead girl. An excellent launch to a suspenseful series, with good enough writing to allow the reader to overlook what might have seemed psychologically didactic in a lesser concoction. Grades 8-10. --Francisca Goldsmith

About the Author

Lili Peloquin grew up in New England, where the beginning of summer still reminds her of that moment right before someone tells you a secret. *The Innocents* is her first novel.

Users Review

From reader reviews:

Ronda Hagerty:

What do you regarding book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have spare time? What did you do? Every individual has many questions above. They have to answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this The Innocents to read.

Robert Auclair:

A lot of people always spent their particular free time to vacation or even go to the outside with them family members or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read the book. It is really fun for yourself. If you enjoy the book that you just read you can spent the whole day to reading a book. The book The Innocents it is extremely good to read. There are a lot of folks that recommended this book. These were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the e-book. You can m0ore simply to read this book through your smart phone. The price is not too costly but this book provides high quality.

Grady Comer:

Many people spending their period by playing outside using friends, fun activity with family or just watching TV the whole day. You can have new activity to pay your whole day by looking at a book. Ugh, ya think reading a book will surely hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Mobile phone. Like The Innocents which is keeping the e-book version. So , why not try out this book? Let's notice.

Jeffrey Martinez:

This The Innocents is new way for you who has interest to look for some information given it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know or else you who still having little bit of digest in reading this The Innocents can be the light food for you personally because the information inside this kind of book is easy to get simply by anyone. These books create itself in the form which is reachable by anyone, sure I mean in the e-book type. People who think that in guide form make them feel sleepy even dizzy this publication is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for you. So , don't miss this! Just read this e-book variety for your better life along with knowledge.
