Editorial Review

Review

"One wants to quote any number of passages for their wit, the gayety of their instruction, the fineness of their perceptions, the good sense they show, their helpfulness and their ever-incisive clarity...The thing for actors to do, whether they are young or old, is to buy this book....It does more to explore the art of acting than any single volume for years." -- *John Mason Brow*

"Under their apparent simplicity and light-heartedness, (the lessons are) profound and to the point. Both beginners and established actors, who take their work seriously, will find stimulation in this book." -- *Sir Alec Guinness*

About the Author

Richard Boleslavsky was a member of the Moscow Art Theater and cofounder of the American Laboratory Theater School, which trained Lee Strasberg and Stella Adler among other actors and teachers, playing an important role in bringing Stanislavsky's techniques to America. Although he directed Hollywood films in the 1930s and 1940s, his enduring work is contained in this book.
