### **Editorial Review**

#### **Review**

Circular knitting can seem intimidating to beginning knitters, but author Margaret Radcliffe soothes those fears. *Circular Knitting Workshop* discusses every aspect of circular knitting, from cast on methods to converting patterns written for straight needles to circular. Beginners will appreciate the simple pain-free lessons in knitting in the round using circular needles, double-points, or the Magic Loop method. Lessons in Fair Isle, twined, helix, and tubular knitting are also presented for advanced knitters. Mini projects are included for you to try out your new skills before tackling full-sized projects. Whether you're just starting out in circular knitting or looking for a quick answer, this book will quickly become your go-to guide for knitting in the round.
