Creative Approaches for Counseling Individual Children in the School Setting book w/ CD By Diane Senn

This book provides 100+ creative activities for helping the child and the problem. In individual counseling with children, we need to connect with the child, gather information about the child and their needs, explore the problem, implement and create a plan together, and then assess if the plan is working. Various contact forms, referrals, feedback forms, and information gathering activities are included along with activities to assist in understanding and dealing with the problem. In addition, creative activities are shared to deal with specific problem areas of:

- Feelings
- Self-Concept
- Friendship
- Academic Support
- Behavior
- Divorce
- Death
