Getting the Best of It By David Sklansky

Contains six sections discussing probability, poker, blackjack, other casino games, sports betting, and general gambling concepts. This book contains some of the most sophisticated gambling ideas that have ever been put into print. Included is perhaps the best discussion of the basic mathematics of gambling, yet it is written so that even the most non-mathematical of readers can understand it. Many of the ideas discussed are those that the author himself has successfully used during his career. Topics include expectation, combinations, Baye's Theorem, the eight mistakes in poker, checking in the dark, playing tight, The Key Card Concept, casinos and their mistakes, crapless craps, betting sports, hedging and middling, knowing what's important, the Law of Averages and Other Fallacies, and much more.

Editorial Review

About the Author

David Sklansky is generally considered the number one authority on gambling in the world today. Besides his ten books on the subject, David also has produced two videos and numerous writings for various gaming publications. His occasional poker seminars always receive an enthusiastic reception, including those given at the Taj Mahal in Atlantic City and the World Series of Poker in Las Vegas.

More recently, David has been doing consulting work for casinos, Internet gaming sites, and gaming device companies. He has recently invented several games, soon to appear in casinos.

David attributes his standing in the gambling community to three things:

1. The fact that he presents his ideas as simply as possible (sometimes with Mason Malmuth) even though these ideas frequently involve concepts that are deep, subtle, and not to be found elsewhere.
2. The fact that the things he says and writes can be counted on to be accurate.
3. The fact that to this day a large portion of his income is still derived from gambling (usually poker, but occasionally blackjack, sports betting, horses, video games, casino promotions, or casino tournaments).

Thus, those who depend on David's advice know that he still depends on it himself.

Users Review

From reader reviews:

Arthur West:

Your reading 6th sense will not betray you, why because this Getting the Best of It publication written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your hunger then you still question Getting the Best of It as good book not simply by the cover but also by content. This is one publication that can break don't assess book by its handle, so do you still needing an additional sixth sense to pick this specific!? Oh come on your reading through sixth sense already said so why you have to listening to yet another sixth sense.

Dorothy Whisler:

This Getting the Best of It is great book for you because the content which is full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great manage word or we can say no rambling sentences inside it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tough core information with beautiful delivering sentences. Having Getting the Best of It in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen moment right but this book already do that. So , this is good reading

book. Hello Mr. and Mrs. busy do you still doubt which?

Bobby Hall:

Reading a book for being new life style in this season; every people loves to go through a book. When you examine a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, in addition to soon. The Getting the Best of It offer you a new experience in reading a book.

Louis McCarthy:

A number of people said that they feel bored stiff when they reading a book. They are directly felt the idea when they get a half elements of the book. You can choose the particular book Getting the Best of It to make your own reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose easy book to make you enjoy to study it and mingle the sensation about book and examining especially. It is to be initial opinion for you to like to open a book and learn it. Beside that the guide Getting the Best of It can to be a newly purchased friend when you're really feel alone and confuse with the information must you're doing of the time.
