## Leadership Is an Art By Max Depree

**In what has become a bible for the business world, the successful former CEO of Herman Miller, Inc., explores how executives and managers can learn the leadership skills that build a better, more profitable organization.**

*Leadership Is an Art* has long been a must-read not only within the business community but also in professions ranging from academia to medical practices, to the political arena. First published in 1989, the book has sold more than 800,000 copies in hardcover and paperback. This revised edition brings Max De Pree's timeless words and practical philosophy to a new generation of readers.

De Pree looks at leadership as a kind of stewardship, stressing the importance of building relationships, initiating ideas, and creating a lasting value system within an organization. Rather than focusing on the “hows” of corporate life, he explains the “whys.” He shows that the first responsibility of a leader is to define reality and the last is to say thank you. Along the way, the artful leader must:

- Stimulate effectiveness by enabling others to reach both their personal potential and their institutional potential
- Take a role in developing, expressing, and defending civility and values
- Nurture new leaders and ensure the continuation of the corporate culture

*Leadership Is an Art* offers a proven design for achieving success by developing the generous spirit within all of us. Now more than ever, it provides the insights and guidelines leaders in every field need.

## **Editorial Review**

From Publishers Weekly

Rather than offering a how-to manual on running a business, DePree, CEO of Herman Miller Inc., a manufacturer of office furniture, details, in deceptively simple but imaginative language, a humanitarian approach to leadership. The artful leader, he argues, should recognize human diversity and make full use of his or her employees' gifts. Further, he believes, a leader is responsible not just for the health of a company's financial assets, but for its ethics. Advocating management through persuasion, and the exercise of democratic participation rather than concentrated power, he favors covenantal relationships with employees that rest on shared purpose, dignity and choice. The author stresses the need for communication, but his only direct guidance concerns the need for job performance reviews and self-evaluation.

Review

"This is a wonderful book. It captures Max's spirit—and he's a truly exceptional person. But it also says more about leadership in clearer, more elegant, and more convincing language than many of the much longer books that have been published on the subject."—Peter F. Drucker

"His opus is as worthy as scripture."—*New York Times Book Review*

"Like the elegant furniture his company makes, De Pree's book provides a valuable lesson in grace, style, and the elements of success."—*Time*

"*Leadership Is an Art* is one of the best books I have ever read in my life on the subject of leadership and business management philosophy."—Sam Walton

"Perhaps we should banish all of our management books except Max De Pree's recent gem, *Leadership Is an Art*. The successful Herman Miller, Inc., chairman . . . writes only about trust, grace, spirit, and love . . . such concerns are the essence of organizations, small or large."—*Inc.* magazine

From the Publisher

In what has become a bible for the business world, the successful CEO of Herman Miller, Inc., explores how executives and managers can learn the leadership skills that build a better, more profitable organization.

## **Users Review**
