## **Editorial Review**

### **Review**

"The text serves multiple purposes as a quick reference source and as a starting point for in-depth research on phobias; it could also be used as a supplemental textbook for introductory psychology courses. The index allows readers to easily locate discussion about specific phobias that do not merit their own entries. This book fills a niche alongside related resources. . . . Summing Up: Recommended. Undergraduates through researchers/faculty; general readers; professionals/practitioners." - **Choice**

"This work would be useful to public libraries, as it provides introductory information for the layperson on concepts and theories related to phobias as well as information about the phobias themselves." - **Booklist**
