Editorial Review

Review

"Volume 3 from Rose's famous Book of Bible Charts series is not just for mere study of the Scriptures, but is filled with insight and instruction for practical application. While NOTHING is a substitute for the Scriptures, this book could literally serve as a manual on the basics of Christian life. Many relevant topics such as what the Bible says about money, forgiveness, and prayer are all packed into this one volume, making it a great book for those who love Rose's timeless insights and are looking for instruction on how to apply them to everyday life." --Chris Ledezma, Bible teacher from Columbus, Ohio

I just had to let you know how powerful and illuminating your books and charts are. I have been doing research and working at the college level for over 30 years and have never encountered materials like yours - materials that represent innumerable hours of research; materials that make Biblical study and research 100 times easier than I have encountered thus far. They truly are invaluable as reference, as outlines for courses with real content and as solid reference for writing articles, college papers, and books. I truly cannot elucidate the many advantages and sheer comprehensiveness of each book (and materials) I have read so far. Charts, for example, that represent the compilation and intensive research of Biblical history always prove to be 100% accurate and often include little or even heretofore unknown facts. Just suffice it to say that every scrap of material I have been privy to always contained amazing surprises and inexhaustible amounts of information - information that specifically enhances and illuminates every person who utilizes them. They have already made huge impacts of so many young and mature Christians. Several of the people I have mentored through their doctoral studies have sworn by these materials as one of the best sources they have ever seen. I agree with them completely. I only wish I could adequately describe the immense contributions the materials have made to myself and others and to Christian Academics in general. Thank you from my whole heart and may God richly bless you. --Dr. Wesley B Rose, Director Early Christian Studies Scripture Institute

Graphically stunning and brimming over with biblical teachings...[it] is a delightful treat for anyone wanting to know more of what God has for them. Strengthen your personal or Church resource library with this exciting new product. --Wayne Newcomb, Retired Pastor, Church Leader, and Team Rose Representative
