**Star Trek Logs Three and Four (Star Trek the Animated Series)** By Alan Dean Foster

“SPACE. THE FINAL FRONTIER . . . These are the voyages of the Starship Enterprise™.” Celebrate the fortieth anniversary of Star Trek® with the original mission logs chronicling some of the crew’s most bizarre missions and strangest encounters with alien races across the galaxy . . . where no man has gone before™.

### Once Upon a Planet

Ready for a holiday, the Enterprise crew returns to the planet of fantasies expressly designed to make every wish come true. But the resort has become a mad dream world where nightmares are hideously real.

### Mudd’s Passion

When space scoundrel Harry Mudd is arrested and brought aboard the Enterprise, he subjects the crew to a liquid-crystal love potion—with devastating results.

### The Magicks of Megas-tu

After penetrating the very heart of the galaxy, Kirk and his crew confront a strange half-man, half-goat creature, who introduces the Enterprise to a fantastic world of good . . . and evil.

### The Terratin Incident

A garbled distress signal leads the Enterprise to certain doom in a fiery mass of radiant particles—as all living matter begins to shrink to nothingness, including Kirk and his crew.

### Time Trap

A Klingon attack on the Enterprise causes both ships to disappear into the Delta Triangle, a dead-end time warp of lost ships. Escape is impossible— unless sworn enemies Kor, the Klingon leader, and Kirk work together.

### More Tribbles, More Troubles

After saving a Federation scout ship from Klingon attack, Kirk also rescues Cyrano Jones and a pile of tribbles. Jones insists that these tribbles don’t

multiply—but they do grow bigger, and bigger, and bigger.
