## The Fundamentals of Interior Design By Simon Dodsworth

The Fundamentals of Interior Design provides a thorough introduction to the key elements of interior design and the ideas that underpin them.

The book describes the entirety of the creative process, from researching initial ideas to realizing them in three-dimensional form.

Throughout the text, guidelines are given to provide structure and the reader is encouraged to adapt and initiate methodologies to suit individual project needs. This approach is intended to give designers a belief in their own abilities, and the confidence to tackle different projects with the unique challenges that each one brings.
