The Mountains Of Rasselas: An Ethiopian Adventure By Thomas Pakenham

Rasselas is a tale of the royal princes of Abyssinia, who were condemned to live on the prison-mountain of Wehni until they died or the order of succession called them to the throne. How much of this was truth and how much legend? The author of Meetings with Remarkable Trees, Thomas Pakenham traveled to Ethiopia to find out. The predicament of the prisoners had been even more melodramatic than previously surmised. And an incredible archeological discovery was made: a medieval church of the finest style ever recorded. Nearly 40 years after the story was published in 1959, Pakenham returned to the Mountain. In this edition, historical insight and new color photography are added to the original story. 176 pages (all in color), 9 1/2 x 11 3/8.
