Almost a Princess By Elizabeth Thornton

From nationally bestselling author Elizabeth Thornton comes a sensuous new tale of true love and fiery romance—under the most intriguing of circumstances.

Case Devere, the steely-eyed earl of Castleton, has agreed to help Special Branch track down a notorious killer—one who just happens to be his archenemy. But he finds more than he bargained for when his search leads him to Jane Mayberry, a beautiful bluestocking passionately devoted to the cause of women's rights—and to protecting her privacy. As irresistible as she is uncooperative, the spirited Jane arouses Case's interest—as well as his worst suspicions—when she quietly disappears. Determined to find the one woman who may hold the key to his investigation—and to his heart—Case goes after her.

Though their sparring belies an attraction too powerful to deny, Jane knows there can never be anything between herself and the strong-willed earl. For she bears a dark and terrifying secret that must remain hidden—even at the cost of a broken heart. As Case fights for the love of the one woman who has ever mattered to him, they are swept into a deadly game by a killer who won't stop until he has punished them both.

Editorial Review

From Booklist

The killer left a calling card, but only Caspar "Case" Devere, Lord Castleton, a member of Britain's elite Special Branch, knows that the pebble means the murderer is none other than the sadistic, elusive "La Roca." Case meets Jane Mayberry, die-hard bluestocking, confirmed spinster, and dedicated member of the Ladies' Library, during his search for his old nemesis, and is instantly attracted to her. But things aren't at all what they seem. The Ladies' Library is a cover for a clandestine organization that fights for women's rights and provides shelter for victims of abuse. Jane herself has some dark secrets, one of which could get her killed. Well written on many levels as a murder mystery, a historical romance, and a chronicle of women's rights--or lack thereof--this book will appeal to fans of Amanda Quick, Candace Camp, and Lisa Kleypas. The second in a trilogy, this Regency historical follows Thornton's *The Perfect Princess* [BKL S 15 01], and its cliffhanger ending will make readers anxious for the next installment. *Shelley Mosley*
