Editorial Review

Language Notes

Text: English, French (translation)

About the Author

Mary Ann Caws is Distinguished Professor of English, French, and Comparative Literature at the Graduate School of The City University of New York. She is the author, translator, and editor of numerous books and publications on the major figures of both Dada and Surrealism.

Patricia Terry was Professor of French Literature at Barnard College and the University of California San Diego until her retirement in 1991. She is the author, translator, and editor of numerous essays related to medieval French verse and 19th- and 20th-century French poetry.

Nancy Kline directs the Writing Program at Barnard College, where she teaches in the English and the French departments. She has published five books to date and is currently working on a novel and a collection of essays. Her numerous translations, essays, short stories, and reviews have appeared widely. Translators reside in New York City and San Diego, Calif.

Users Review

From reader reviews:

Joanne Hall:

A lot of people always spent their own free time to vacation or go to the outside with their family or their friend. Do you realize? Many a lot of people spent their free time just watching TV, or playing video games all day long. In order to try to find a new activity here is look different you can read any book. It is really fun in your case. If you enjoy the book which you read you can spend 24 hours a day to reading a reserve. The book Capital of Pain it is quite good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. If you did not have enough space bringing this book you can buy the e-book. You can more simply to read this book through your smart phone. The price is not to fund but this book offers high quality.

Shawn Proctor:

Your reading sixth sense will not betray anyone, why because this Capital of Pain reserve written by well-known writer who really knows well how to make book that can be understood by anyone who all read the book. Written throughout good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still hesitation Capital of Pain as good book not just by the cover but also with the content. This is one publication that can break don't assess book by its include, so do you still needing a different sixth sense to pick that!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Edwin Ball:

A lot of guide has printed but it is different. You can get it by web on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by searching from it. It is identified as of book Capital of Pain. You'll be able to your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make you happier to read. It is most essential that, you must aware about book. It can bring you from one destination for a other place.

Lloyd Schuler:

What is your hobby? Have you heard this question when you got learners? We believe that that concern was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you also know that little person similar to reading or as examining become their hobby. You should know that reading is very important along with book as to be the issue. Book is important thing to include you knowledge, except your personal teacher or lecturer. You get good news or update regarding something by book. Amount types of books that can you decide to try be your object. One of them are these claims Capital of Pain.
