## **Editorial Review**

From School Library Journal

Gr 7-10-After discovering that Yuki is a Winter Faerie, Tamani, Laurel, Chelsea, David, and Shar must figure out what she and Klea have planned for Avalon. By holding Yuki hostage, they learn that Klea knows where the Gate is located and that she plans to enter Avalon with an army of trolls. The only option is to enter before she does and to prepare Avalon for the troll army. The costs to defend Avalon will be high and lives will be lost, relationships damaged, and heroes made as David and Chelsea become the first humans to enter Avalon since Arthur. Armed with Excalibur, David may lose himself in the process and Laurel will have to think like Klea in order to save the day. Aprilynne Pike's action-packed, fast-paced conclusion (HarperTeen, 2012) to the "Wings" series takes place over the course of a single day. Her characters, particularly David, are complex and well-developed. Mandy Siegfried's narration is excellent and her tone is perfect for the story. The bittersweet but appropriate conclusion will satisfy most listeners. Perfect for fans of the series and those who enjoy paranormal romance.-Sarah Flood, Breckinridge County Public Library, Hardinsburg, KY α(c) Copyright 2011. Review

PRAISE FOR DESTINED:“The greatest part: the WINGS series reaches the perfect ending. The worst part: it has to end!” (Claudia Gray, New York Times bestselling author of the Evernight series)

“Pike’s clever and innovative way of reinventing fairy tales and myths to make them her own is wonderful. The story is rich in vivid details, action, adventure, and romance.” (Romantic Times (Top Pick, 4 1/2 stars))

“In this last installment of the Wings series, destinies and betrayals are unearthed at breathtaking speed. The series is action-packed, and the final chapters of the story are no exception. A thrilling page-turner, many readers will read the book cover-to-cover, barely daring to breath.” (Voice of Youth Advocates (VOYA) (Starred Review))

“The action begins fast and furious and never really stops.” (Booklist)

From the Back Cover

Tamani hesitated for an instant, then pulled her to him. He didn't kiss her, just held her face close to his, their foreheads resting together.

She hated how much it felt like good-bye.

Laurel now knows the truth: Yuki is a rare Winter faerie, the most powerful—and deadly—of all, and Klea plans to use her to help conquer and destroy Avalon. But Klea's reach extends far beyond one wild Winter faerie. With Tamani, David, and Chelsea by her side, Laurel prepares to face what may be Avalon's final days.
