**Dreams, Visions and Testimonies of the Last Days, Volume II.** By Christopher M. Parrett

A compilation of recent dreams and visions of the events of the last days, particularly the gathering of the Saints to Cities of Light and Places of Refuge.

In this book, LDS author Christopher M. Parrett (The LDS Preparedness Manual) presses forward with the ground breaking work laid down by Roger K. Young in his original book (Dreams & Visions of the Last Days) by assembling even more of the dreams and visions the Saints are currently having, and have had over the last several years, that continue to confirm the words of the Prophets and Apostles. Children, teenagers, mothers and fathers are experiencing the prophesied gifts of Joel on a daily basis. Most concern themselves with what events are coming in the very near future and have already started to unfold. We invite you to review what many of your friends, neighbors and fellow Saints are seeing as possible fulfillment of Joel's prophecy to compare them with what Prophets and Apostles have already described, and see if there is anything of importance for you and your family.
