### **Editorial Review**

#### **About the Author**

Vicki McDonald Leppek attended the Rocky Mountain College of Art + Design and the Art Students League of Denver. In the mid-1980s she was swept into the stream of motherhood and discovered a deep reverence for the divine feminine. Nourished by Barbara Walker's *Women's Encyclopedia of Myths and Secrets*, she began her own library of books on ancient earth religions, archeoastronomy, sympathetic magic, and poetry. Leppek's fruitless search for a lunar calendar led her to create the Lunaria Lunar Almanac. With Gail Sand, Leppek founded Friday Press to publish *The Lunaria*, a tool to help them integrate the cycles of the moon, earth, and sky into their daily lives. Leppek's paintings have been featured on Lunaria covers, notecards, and prints, and have been exhibited in numerous solo and group shows. Her work celebrates our deep and sensuous connection with the natural world.
