### Star Wars ~ The Thrawn Trilogy: (Vol. 1) Heir to the Empire ; (Vol. 2) Dark Force Rising ; (Vol. 3) The Last Command By Timothy Zahn

Hugo Award Winner Zahn's snappy prose and cinematic style capture the feel of the popular Star Wars films as he weaves together an exciting tale of high adventure. Complete three volume series of The Thrawn Trilogy: (Vol 1.) It's five years after Return of the Jedi: the Rebel Alliance has destroyed the Death Star, defeated Darth Vader and the Emperor, and driven out the remnants of the old Imperial Starfleet to a distant corner of the galaxy. Princess Leia and Han Solo are married and expecting Jedi Twins. And Luke Skywalker has become the first in a long-awaited line of Jedi Knights. But thousand of light-years away. (Vol 2.) Political infighting threatens the fragile, victorious Rebel Alliance in its ongoing struggle against the empire in this sequel to Heirs of the Empire. Luke, Leia, and Han face separate challenges from a mad Jedi, an Imperial Grand Admiral, and a smuggler with a dangerous secret, and the fate of the alliance hangs on the outcome of their missions. (Vol 3.) The embattled Republic reels from the attacks of Grand Admiral Thrawn, who has marshaled the remnants of the Imperial forces and driven the Rebels back with an abominable technology recovered from the Emperor's secret fortress: clone soldiers. As Thrawn mounts his final siege, Han and Chewbacca struggle to form a coalition of smugglers for a last-ditch attack against the empire, while Leia holds the Alliance together and prepares for the birth of her Jedi twins. Overwhelmed by the ships and clones at Thrawn's command, the Republic has one last hope -- sending a small force, led by Luke Skywalker, into the very stronghold that houses Thrawn's terrible cloning machines. There a final danger awaits, as the Dark Jedi C'baoth directs the battle against the Rebels and builds his strength to finish what he had already started: the destruction of Luke Skywalker.
