## The Bridge By Iain Banks

The man who wakes up in the extraordinary world of a bridge has amnesia, and his doctor doesn't seem to want to cure him. Does it matter? Exploring the bridge occupies most of his days. But at night there are his dreams. Dreams in which desperate men drive sealed carriages across barren mountains to a bizarre rendezvous; an illiterate barbarian storms an enchanted tower under a stream of verbal abuse; and broken men walk forever over bridges without end, taunted by visions of a doomed sexuality.

Lying in bed unconscious after an accident wouldn't be much fun, you'd think.

Oh yes? It depends who and what you've left behind.

Which is the stranger reality, day or night? Frequently hilarious and consistently disturbing, THE BRIDGE is a novel of outrageous contrasts, constructed chaos and elegant absurdities.

### Editorial Review

From Publishers Weekly

Orr, the otherwise unnamed protagonist of this Pynchonesque novel, is a successful Scottish engineer who's a bit fed up with life: his work doesn't really interest him anymore; years of doping and boozing have dulled him; his girlfriend has other lovers (he does too, but he would rather she was monogamous). Then one evening he crashes his classic Jaguar into a parked MG. The aftermath is coma and months of amnesiac trance, a condition that Orr apparently comes to prefer. The reader, however, only understands all this towards the end of the novel. Virtually the whole of the narrative consists of Orr's trauma-induced hallucinations. The bridge of the title is a fantastically ramifying construct in Orr's brain resembling an outer-space city in a science fiction movie. Banks's ( *The Player of Games* ) novel is satire, and its target turns out to be the British Isles' equivalent of American "yuppies." Deploying a wide range of stylistic devices, the narrative condemns fiercely an overly mechanistic society and its self-referential ethos. Copyright 1989 Reed Business Information, Inc.

From Library Journal

An amnesiac searching for his past finds his life dominated by the world of "the bridge," a gigantic structure whose ends have never been seen but which contains a lost library, a host of dreams and nightmares, and the key to another reality. From the expansive, macrocosmic scale of *Consider Phlebas* and *The Player of Games* , Banks turns inward to explore the complex, surreal microcosm of the human mind in a kaleidoscopic novel for sophisticated, literary readers of speculative fiction. Recommended.-- JC Copyright 1989 Reed Business Information, Inc.

Review

A stunning book, Bank s' powerful imagination is joined to a rare ability to be truly funny while exploring a nightmare world.? **Sunday TIMES**

Represents significant progress in the flowering of an exceptional talent...a totally absorbing read? **The TIMES**

It's compulsive reading and highly recommended.? **Sunday TODAY**

Iain Banks of *THE WASP FACTORY* eclipses that sensational debut...a real dazzler? **DAILY MAIL**

### Users Review

From reader reviews:

**Joan Rogers:**

As people who live in the modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe will update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which one you should start with. This *The Bridge* is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

**Elsie Fiala:**

Precisely why? Because this The Bridge is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the publication store hurriedly.

**Paul Lopez:**

Many people spending their time by playing outside using friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to spend your whole day by examining a book. Ugh, do you think reading a book can actually hard because you have to bring the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Smart phone. Like The Bridge which is having the e-book version. So , try out this book? Let's find.

**Avis Marguez:**

A lot of reserve has printed but it is different. You can get it by net on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever by searching from it. It is known as of book The Bridge. Contain your knowledge by it. Without causing the printed book, it might add your knowledge and make an individual happier to read. It is most critical that, you must aware about publication. It can bring you from one place to other place.
