**Make your own oils, blends, and fragrances--and make your dreams come true!**

The proper oils, blends, and fragrances are central to the practice of Wicca, and essential for many spells, candle magick, mojo bags, ritual bathing, incenses, floor washes, potpourri, anointing sacred objects, and much more. For over thirty years, Wiccan expert Lady Rhea has been creating her own special formulas that she supplies to some of the world's quintessential Pagan stores such as The Warlock Shoppe and Enchantments--and now she shares them with you!

In *The Enchanted Formulary*, Lady Rhea gives you the recipes that she's perfected over three decades and also shows you where to get some of the harder-to-find ingredients. Some of the 300 blends included are formulas for love; money, luck, and success; healing and personal transformation; and uncrossing and protection. You'll also learn:

- The magick of oils
- Mixology (how to mix and blend)
- Magical application (different uses of oils for magickal purposes)
- Popular perfume fragrances today and the their role in magick
- Astrological influences on when to blend your oils

*The Enchanted Formulary* can be easily used on its own or with Lady Rhea's The Enchanted Candle, and each recipe comes with detailed information on the origins of the fragrance. The road to self-empowerment begins here!

### **Praise for The Enchanted Candle**

"*The Enchanted Candle* includes rituals for every occasion together with details on the basics of 'how to do it' and--most important--why this all works. All aspects are here: candles, oils, herbs, seals; all the ancillary items plus where to find them. This is a complete book that you'll use time and again." --Raymond Buckland, author of *Practical Candleburning Rituals* and *Advanced Candle Magick*
