About the Author

Stephenie Barker has been teaching her children the value of planning and saving money since they were very young and imparting strong principles and life guidelines to them. With The Little Copper Penny, Stephenie hopes to do the same for children everywhere and show young minds the value and importance of every little cent. She is also proud and overjoyed to see children taking a greater message away from her book: that everything and every person has value, no matter how big or small they may be.
