Girls in Pants: The Third Summer of the Sisterhood By Ann Brashares

The Pants first came to us at the perfect moment. That is, when we were splitting up for the first time. It was two summers ago when they first worked their magic, and last summer when they shook up our lives once again. You see, we don't wear the Pants year-round. We let them rest so they are extra powerful when summer comes. (There was the time this spring when Carmen wore them to her mom's wedding, but that was a special case.)

Now we're facing our last summer together. In September we go to college. And it's not like one of those TV shows where all of us magically turn up at the same college. We're going to four different colleges in four different cities (but all within four hours of one another—that was our one rule). We're headed off to start our real lives.

Tomorrow night at Gilda's we'll launch the Pants on their third summer voyage. Tomorrow begins the time of our lives. It's when we'll need our Pants the most.

Amazon.com Review

Ages 12 and up. Best buds Tibby, Carmen, Lena and Bridget are back with their magical pair of shared jeans in *Girls in Pants: The Third Summer of the Sisterhood*. Each summer brings new and difficult challenges, as the perennially separated friends discover afresh this last season before college. Tibby struggles with the idea of close friend Brian becoming her boyfriend, and their fragile relationship is soon tested by a tragedy in her immediate family. Carmen doesn't know how to react when she finds out that her middle-aged mom is pregnant, and Bridget is unpleasantly surprised to be reunited with the boy who broke her heart two summers ago. Finally, Lena, still coming to terms with the loss of her first love, tries to convince her strict father that art school is a better career path than Greek restaurant management. But through every crisis, each girl is assured of the love and support of the created sisterhood when she pulls on the denim armor of the cherished, and by now, a bit fragrant ("Rule # 1. You must never wash the Pants.") Traveling Pants.

Full of homey platitudes about life, love and the pursuit of perfect jeans, *Girls in Pants* occasionally reads like a lengthy *Chicken Soup for the Teenage Soul* entry. But often that's precisely the kind of friendly reassurance female readers are looking for, and fans of the wildly popular series who've journeyed every summer with the "Septembers" will find much to laugh and cry about in this volume. --*Jennifer Hubert*

From School Library Journal

Grade 7 Up - Four friends embark on their third summer of adventures, beginning with their high school graduation. Tibby ponders the change in her relationship with a male friend who now wants to date her. She is devastated when her little sister is seriously injured after falling out a window that Tibby accidentally left open. Lena's plans to attend art school are disrupted when her conservative father discovers her sketching a nude male model during a summer class and refuses to pay the tuition. Carmen takes a job looking after Lena's cantankerous grandmother. She decides to attend college locally when she discovers that her mother and new stepfather are expecting a baby. Bridget goes to summer camp and is surprised to learn that her ex-fling is also a counselor. As in the previous books, the pants move from girl to girl weaving their special magic, but they are mentioned only briefly and it is easy to forget who has them when. The multiple story lines abruptly switch within chapters, building suspense. However, reluctant readers may miss having more solid transitions. The novel will appeal to those wanting light fare as the girls spend most of their time fretting about boys and all of their tribulations end happily. Fans will clamor for the latest in the series. The story stands alone, but references to the previous summers will attract readers to the other books. - *Linda L. Plevak, Saint Mary's Hall, San Antonio, TX*

Starred Review Gr. 8-12. It's the summer before the Septembers go to college, a summer in which old and new boyfriends appear, families grow and change, crises occur and are resolved, and the pants continue their designated rounds. Despite their diverse schedules, the four friends who appeared in the previous Traveling Pants books reunite one final weekend before they go off to four different colleges. Readers of the other books won't be disappointed with these new adventures: Carmen's mother is pregnant; Bee is back at soccer camp with her old crush, Eric; Tibby's sister falls from her second-story window; and Lena's parents refuse to pay for art school. Beneath these crisis-ridden plotlines lies an artist at work--an author who encourages her readers to look, feel, trust, and empathize with her characters. It's a strong ending to a series about four fully developed, strikingly different, equally fascinating teenage girls. *Frances Bradburn*
