## **Human Resource Management** By Lloyd Byars, Leslie Rue

The Tenth Edition of Human Resource Management continues to present both the theoretical and practical aspects of HRM. The theoretical material is presented throughout the textbook and highlighted via a marginal glossary. The practical aspects of HRM are presented through lively and pedagogically-effective examples woven throughout the text and in the end-of-chapter materials. This edition reflects the challenges of diversity, technology and globalization in the business world and how these forces impact the HRM function within organizations.
