Led Astray By Sandra Brown

When your heart leads you astray, it's hard to turn back . . .

Mourning her fiancé's sudden, tragic death, Jenny Fletcher found a surprisingly sympathetic friend in his enigmatic brother Cage. She'd always considered him too wild and reckless, until he brought out a wild side of her that she hadn't known was there. Could Cage be the man for her after all? This is a first time regular print hardcover previously available in a mass market edition.

Living in the parsonage of Bob and Sarah Hendren, Jenny Fletcher has molded herself to fit the dreams and lifestyle of her fiancé, Hal Hendren. Unbeknownst to her, his older brother, Cage, is in love with her. On the eve of Hal's departure to Central America, Jenny pleads with him not to go, only to be turned down. What follows is a night of passion with Cage. Karen Ziemba brings Jenny's character to life as she vacillates between guilt for her passion and acceptance of her love for Hal's brother. Ziemba treats Cage and Jenny's characters with empathy, while imbuing Bob, Sarah, and Hal with appropriate moral rigidity. From reader reviews:

Colby McCray:

Why don't make it to become your habit? Right now, try to ready your time to do the important act, like looking for your favorite book and reading a guide. Beside you can solve your condition; you can add your knowledge by the book entitled *Led Astray*. Try to stumble through book *Led Astray* as your pal. It means that it can to get your friend when you sense alone and beside that course make you smarter than ever. Yeah, it is very fortuned to suit your needs. The book makes you a lot more confidence because you can know everything by the book. So , we need to make new experience in addition to knowledge with this book.

Jackie Lafond:

Have you spare time for the day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a move, shopping, or went to typically the Mall. How about open or even read a book called *Led Astray*? Maybe it is being best activity for you. You understand beside you can spend your time with the favorite's book, you can cleverer than before. Do you agree with its opinion or you have other opinion?

Matthew Hansen:

Do you like reading a book? Confuse to looking for your chosen book? Or your book has been rare? Why so many problem for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading, not only science book but novel and *Led Astray* or others sources were given information for you. After you know how the good a book, you feel want to read more and more. Science guide was created for

teacher or maybe students especially. Those publications are helping them to bring their knowledge. In different case, beside science publication, any other book likes Led Astray to make your spare time far more colorful. Many types of book like this one.

Carlos Tabor:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Led Astray can make you really feel more interested to read.
