**Wiring a House: 5th Edition (For Pros By Pros) By Rex Cauldwell**

**Current with codes through 2017: For Pros By Pros: Builder Tested / Code-Approved**

**Updated classic.** *Wiring a House: 5th Edition*, is a must-have reference on home wiring – essential for homeowners, electricians, and apprentices. You'll find all the information is updated to the latest electrical code and contains significant revisions that impact residential work, including:

- Expanded AFCI and GFCI protection in homes
- New approaches to ensure the safety of photovoltaic (PV) electrical systems
- New methods to distribute low voltage power
- New DC provisions designed to save energy lost in conversion from AC
- Updated to the 2014 NEC (current through 2017)

**Written in plain language.** Author Rex Cauldwell shares his wealth of experience in a simple, straightforward manner. He covers all the basics from idiot-proof advice on how to keep track of your tools – cart them in bins in a little red wagon – to the highly technical aspects of wiring, and tried-and-true industry tips.

**Current and accurate information.** *Wiring a House* is a comprehensive guide written by a master electrician with over 37 years of experience. An indispensable reference for keeping pros up-to-date, it also provides apprentices and homeowners an accessible reference with the latest information:

- 350 full-color photographs
- 120 instructive illustrations
- Plus information on lighting, inverters, and electrical vehicle chargers.

### **Editorial Review**

#### **About the Author**

A third generation tradesperson, Cauldwell is both a master electrician and master plumber. Cauldwell has an A.A.S. degree in Electronic Engineering and his books "Wiring a House" and "Inspecting a House" are popular industry standards. He is also the author of "For Pros by Pros: Plumbing."

### **Users Review**

#### **From reader reviews:**

##### **Elizabeth Branch:**

Are you kind of occupied person, only have 10 as well as 15 minute in your morning to upgrading your mind skill or thinking skill possibly analytical thinking? Then you are experiencing problem with the book compared to can satisfy your short time to read it because all of this time you only find publication that need more time to be read. Wiring a House: 5th Edition (For Pros By Pros) can be your answer as it can be read by anyone who have those short spare time problems.

##### **Carolyn Bailey:**

Is it anyone who having spare time in that case spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Wiring a House: 5th Edition (For Pros By Pros) can be the respond to, oh how comes? A fresh book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these publications have than the others?

##### **Bertram Staten:**

That reserve can make you to feel relax. This specific book Wiring a House: 5th Edition (For Pros By Pros) was colorful and of course has pictures around. As we know that book Wiring a House: 5th Edition (For Pros By Pros) has many kinds or type. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think that you are the character on there. Therefore not at all of book are make you bored, any it makes you feel happy, fun and relax. Try to choose the best book in your case and try to like reading in which.

##### **Joseph Myrick:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not

important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this **Wiring a House: 5th Edition (For Pros By Pros)** can make you sense more interested to read.
