Alvin Ho: Allergic to Birthday Parties, Science Projects, and Other Man-made Catastrophes By Lenore Look

Here's the third book in the beloved and hilarious Alvin Ho chapter book series, which has been compared to *Diary of a Wimpy Kid* and is perfect for both beginning and reluctant readers.

Alvin Ho, an Asian American second grader, is afraid of *everything*. For example, what could possibly be so scary about a birthday party? Let Alvin explain:

- You might be dressed for bowling . . . but everyone else is dressed for swimming.
- You could get mistaken for the piñata.
- You could eat too much cake.
- You could throw up.

So when Alvin receives an invitation to a party—a *girl's* party—how will he ever survive?

From Lenore Look and *New York Times* bestselling illustrator LeUyen Pham comes a drop-dead-funny and touching series with a truly unforgettable character.

“Shares with *Diary of a Wimpy Kid* the humor that stems from trying to manipulate the world.” —*Newsday*

“Alvin’s a winner.” —*New York Post*
