Editorial Review

From the Publisher

Neil Gaiman is an acclaimed novelist and writer of comics, short stories, screen and teleplays. He wrote the groundbreaking Sandman series of graphic novels, which remains the top selling series in that category. He created the BBC's hit television series *Neverwhere*, soon to be a major motion picture from Jim Henson Productions. With the publication of the best-selling *Neverwhere* novel, Gaiman made the leap from graphic visionary to literary novelist. His other books include *Smoke and Mirrors*, *Stardust*, and *Good Omens* with Terry Pratchett; *Good Omens* is now in production as a movie directed by Terry Gilliam. His most recent book is the best-selling *American Gods* (Harper Collins).

About the Author

Neil Gaiman, best known for his comic book cult classic *Sandman*, wrote this popular mini-series about the warrior *Angela*. Gaiman, who has won several awards for his fantasy fiction books, now writes screen adaptations including the critically acclaimed *Princess Mononoke* animated feature and *Neverwhere*, a six-part series for BBC television.

Born in 1962, Greg Capullo is a self-taught artist who made his way from doodling in high school to commercial advertising. His first comic work, *Gore Shriek*, was published by a local comic shop in Albany, New York. Shortly thereafter, Capullo started at Marvel and worked on *What If?*, *Quasar*, and *X-Force*. After leaving Marvel, Capullo began to pencil *Spawn* at issue # 26 where he has been since. Capullo has also worked on various other projects including the award-winning *Korn* CD jacket for *Follow the Leader* and his own successful three-issue mini-series, *The Creech*, which he wrote and penciled.

Users Review

From reader reviews:

Elizabeth Ashton:

Book is to be different for each and every grade. Book for children till adult are different content. We all know that that book is very important normally. The book *Angela (Spawn Series)* was making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The publication *Angela (Spawn Series)* is not only giving you far more new information but also for being your friend when you truly feel bored. You can spend your own spend time to read your book. Try to make relationship together with the book *Angela (Spawn Series)*. You never experience lose out for everything when you read some books.

Percy Brown:

Here thing why this particular *Angela (Spawn Series)* are different and trustworthy to be yours. First of all reading a book is good however it depends in the content of it which is the content is as delicious as food or not. *Angela (Spawn Series)* giving you information deeper and in different ways, you can find any e-book out there but there is no publication that similar with *Angela (Spawn Series)*. It gives you thrill reading journey, its open up your own personal eyes about the thing that happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in park your car, café, or even in your

approach home by train. In case you are having difficulties in bringing the branded book maybe the form of Angela (Spawn Series) in e-book can be your choice.

Johnnie Colby:

As we know that book is essential thing to add our understanding for everything. By a reserve we can know everything we wish. A book is a list of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This reserve Angela (Spawn Series) was filled about science. Spend your spare time to add your knowledge about your science competence. Some people has various feel when they reading some sort of book. If you know how big benefit from a book, you can sense enjoy to read a e-book. In the modern era like at this point, many ways to get book you wanted.

Brenda Cornell:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. Therefore you know that little person including reading or as examining become their hobby. You need to know that reading is very important as well as book as to be the factor. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You discover good news or update about something by book. Many kinds of books that can you decide to try be your object. One of them are these claims Angela (Spawn Series).
