Economic Development (12th Edition) (The Pearson Series in Economics)

By Michael P. Todaro, Stephen C. Smith

For courses on economic development

A complete, balanced introduction to the theory, issues, and latest research.

Economic Development, Twelfth Edition—the leading textbook in this field—provides students with a complete and balanced introduction to the requisite theory, driving policy issues, and latest research. Todaro and Smith take a policy-oriented approach, presenting economic theory in the context of critical policy debates and country-specific case studies so you can see how theory relates to the problems and prospects of developing countries.

Teaching and Learning Experiences

This program presents a better teaching and learning experience—for you and your students.

- **Use the text's Hallmark Approach to presenting engaging information:** Shaped by the authors' personalities, this approach is backed up with extensive research and travel to provide the best data possible.
- **Teach with strong pedagogy tools:** The text reinforces central key concepts by presenting a clear learning path for students.
- **Give students a real-world global perspective:** Students are able to gain a unique perspective about world issues from two authors who strive to address different sides to problems.
