Fox and Crow Are Not Friends (Step into Reading) By Melissa Wiley

Fox and Crow can agree on two things: their love of cheese and loathing of each other. These cagey animals will do whatever they can to outwit their sworn enemy and claim sole possession of the prized cheese they keep finding. But they are too caught up in their plotting and planning to realize they've picked the wrong house to steal from—since the mother of the house is one fed up Mama Bear who knows exactly how to contend with freeloaders.

Editorial Review

From School Library Journal

Gr 1-3-Children eager to move beyond easy readers and older students requiring simple text in a chapter-book format will find this title a good choice. As in many familiar folktale themes, Fox and Crow are trying to outwit each other. In the first episode, Fox tricks Crow into dropping a chunk of cheese right into his mouth. Crow then uses cheese to lure Fox into a cleverly designed trap. But where does the cheese come from? The third chapter shows both tricksters recognizing their mistakes. "That will teach you not to steal my cheese," says Mama Bear, whose presence in the earlier chapters will be noted by astute observers of Braun's lively, colorful cartoon-style illustrations. With its crisp writing and short sentences, this is a solid addition.-Gloria Koster, West School, New Canaan, CT ©(c) Copyright 2011. Review

"The familiar fable about Fox and Crow, retold for new readers. Youngsters will quickly understand the word 'outfoxed' after reading these tales of flattery, greed and cheese, told as three connected short stories...Humorous watercolor illustrations are punctuated by thought bubbles showing the animal's plans...Funny chapter titles will amuse adults, and subtle visual details make this a fable book that new readers will return to."--*Kirkus Reviews*

About the Author

MELISSA WILEY is the author of *The Martha Years* and *The Charlotte Years* books about Laura Ingalls Wilder's ancestors. She writes about children's books, family, and home education on her blog "Here in the Bonny Glen."

Users Review
